EMPOWERING HARD-WORKING ARKANSANS TO FLOURISH

Did You Know?

Low income Arkansas families receive about **\$2,624 annually in earned income tax credit (EITC)**

Guess how many of those families paid for tax prep?

57.5% of them!

Yikes.

With an average of

\$250 Per Return

That adds up.

We're on a mission to make sure all Arkansans have the opportunity to flourish by building their household's financial well-being and achieving their financial goals.
